## OBJECTIVES

I am pursuing a BCA degree at Universal College, seeking an entry-level or internship position to apply. Excited to apply my skills in web development, Laravel framework, and database management while enhancing my knowledge in a collaborative team environment.

## EDUCATION

- Bachelor of Computer Applications (BCA) | Universal College, Kathmandu, Nepal

Expected Graduation: May 2082

## RELEVANT SKILLS

Programming Languages: PHP

Frameworks: Laravel Web

Development: HTML, CSS, JavaScript, Bootstrap

Database Management: MySQL

Version Control: Git/GitHub

Strong Communication and Team Collaboration

## PROJECT

### 1. Joke Sharing Platform

- Developed a full-stack web and mobile application for users to post, edit, and delete jokes.
- Utilized PHP with Laravel for backend development and HTML/CSS for the frontend.
- Implemented user authentication, post CRUD operations, and responsive design for mobile devices.

## LANGUAGE

- Fluent in Nepali and English
